# Chimo Chalk Talk

## What happened last month?

We have a new cleaning closet built to keep little hands out. As you can see each invitational athlete decorated part of the wall. The whiteboard is for athletes and coaches to write accomplishments and encouragement to one another. It's being well used!

## Emergency Outbreak Response available on our website!

In the event of a full closure, PAD payments will be processed for the following month. We will put payments on hold if the closure is announced to be longer than one month.

Coming Up: There will be a Chimo Club Apparel Active Street Wear line. We are currently working with our sponsor Westcoastelements on designs and creating a catalogue for all Chimo families. Once our catalogue is established we will be sending it out with order forms.
